

Capt. Robert Meier

Capt Robert Meier, also retired Master passed away on 05.06.2010.

He embarked for the first time as Chief Mate on 08.09.1964 on m/v BREGAGLIA in Antwerp and after a few contracts as Master ad interim, he was definitely promoted to this rank in 1969 when he took over the command of m/v CELERINA (1) in New York until 30.03.1988 when he paid off from m/v CELERINA (2) because of the sale of the vessel. He stopped sailing at that date for an early retirement.

We convey to all the families our sincere condolences.
